

# FLEX-LINK FACEPLATE

## Home Network All-In-One Faceplate

UNICOM's new Flex-Link faceplate is designed for more home network applications. It comes with 2 keystone jack ports on top for Data and telephone input and 1 module port on bottom for CATV, Video, Fiber Optic and S-VHS applications. Unicom Category 5e Keystone jacks are designed for high speed applications, such as Gigabit Ethernet, ATM and Fast Ethernet. Also it comes with 5 iMac colors, as well as a Glow in the dark.
